- Loans up to Credit limit of Rs.3.00 lacs for meeting cost of seasonal operations of crops (Crop Loans) will be eligible for rate of interest of 7% p.a. to maximum period of one year.
- Interest subvention is to be provided on a maximum limit of ₹ 2 lakh short term loan to farmers involved in animal husbandry and fisheries. The farmers already possessing KCC (crop loan) and involved in animal husbandry & fisheries activities, can avail a sub-limit for such activities. However, the interest subvention and prompt repayment incentive benefit on short term loan (i.e. crop loan+ working capital loan for animal husbandry and fisheries) will be available only on an overall limit of ₹ 3 lakh per annum and subject to a maximum limit of ₹ 2 lakh per farmer involved in activities only related to animal husbandry and / or fisheries. **The limit for crop loan component will take priority for interest subvention and prompt repayment incentive benefits and the residual amount will be considered towards animal husbandry and / or fisheries subject to cap as mentioned above.**
- The benefit of interest subvention will be available to small and marginal farmers having Kisan Credit Card for a further period of upto six months post the harvest of the crop at the same rate as available to crop loan against negotiable warehouse receipts issued on the produce stored in warehouses accredited with Warehousing Development Regulatory Authority (WDRA).
- For the farmers affected by **natural calamities**, an interest subvention of 2% per annum will be made available for the first year on the restructured loan amount. Such restructured loans will attract normal rate of interest from the second year onwards.
- For the farmers affected due to **severe natural calamities**, an interest subvention of 2 percent per annum will be made available to banks for the first three years/entire period (subject to a maximum of five years) on the restructured loan amount. Further, in all such cases, the benefit of prompt repayment incentive @ 3% per annum shall also be provided to the affected farmers. The grant of such benefits in cases of severe natural calamities shall, however, be decided by a High Level Committee (HLC) based on the recommendation of Inter-Ministerial Central Team (IMCT) and Sub Committee of National Executive Committee (SC-NEC).
