PR No.05/2023

Linking of PAN with Aadhaar to be done by March 31, 2023

The provisions of Income-tax Act, 1961, make it mandatory for every person who has been allotted a Permanent Account Number (PAN) to intimate his/her Aadhaar Number to the prescribed authority so that the Aadhaar and PAN can be linked. This is required to be done on or before the notified date, failing which the PAN shall become inoperative.

As per Central Board of Direct Taxes (CBDT) circular No. 7 of 2022 dated March 30, 2022, the PAN allotted to a person shall become inoperative if it is not linked with Aadhaar by March 31, 2023 and shall be liable to all the consequences under the Income-tax Act, 1961 for not furnishing, intimating or quoting the PAN.

Since PAN is the key identification number and part of KYC requirements for all transactions in the securities market, all SEBI registered entities and Market Infrastructure Institutions (MIIs) are required to ensure valid KYC for all participants.

All existing investors are required to ensure linking of their PAN with Aadhaar number prior to March 31, 2023, for continual and smooth transactions in securities market and to avoid consequences of non-compliance with the said CBDT circular, as such accounts would be considered non-KYC compliant, and there could be restrictions on securities and other transactions until the PAN and Aadhaar are linked.
